# Hakea Lodge

## Hakea Lodge is home to many

Hakea Lodge is a 57-bed residential aged care home. One of the most popular residential facilities, Hakea Lodge has a warm and welcoming home like atmosphere. From the moment you step into the wide-open communal dining and lounge area, you feel welcome.

Accommodation at Hakea Lodge consists of single rooms all with ensuites. Meals are served in the dining area, however if residents wish to take meals in their rooms they can. Life at Hakea Lodge is about resident choice.

In addition to three main meals, morning and afternoon tea and supper are provided daily. Birthdays and special events are celebrated with cakes and delicious event food – the residents love footy days with party pies and hot dogs as much as their high teas and happy hour events.

Set in a picturesque garden setting, the relaxed ambiance flows throughout the residents' home. Hakea Lodge residents have secure garden areas where they can spend time outside enjoying the sunshine, or like many, getting their hands dirty in the raised garden beds.

## Lifestyle and Leisure

Choice, dignity, respect and privacy is something our staff adhere to every day to ensure our residents have their best day possible.

Our lifestyle and leisure staff are supported by wonderful volunteers who assist in enriching the lives of our residents every day. Volunteers help one on one with residential visits or assist the lifestyle staff to run bus trips and outings - always an exciting time. Who doesn't love a day out for a coffee and cake or lunch somewhere? Our residents do!

## One big family

Family – including visiting pets – are always welcome at Hakea Lodge. Our lounge with its big comfy chairs is always filled with visitors which is just the way we like it.
