

# Activities and socialisation

A very important part of Shepparton Villages is keeping our residents fit, healthy and socially interactive within the community they know and love so well.

## Bowling Green

A three rink bowling green is situated on the grounds of Tarcoola Village at the rear of the Activities Centre. The clubroom has a kitchenette along with a toilet and shower facilities. This adjoins the Activity Centre for convenience for visiting residents from Rodney Park Village and Kialla Gardens Village.

There is a choice of behind the glass viewing area in the comfort of an air conditioned Clubroom or outdoor undercover area for spectators. All residents are welcome to play, watch and learn the techniques of the game, to cheer the players on; or just to enjoy the social interaction with their neighbours.

## Buses

Our three 12 seater buses are available for outings and shopping trips for residents living at Tarcoola Village, Rodney Park Village and Kialla Gardens Village. Drivers must have passed a competency test and hold a current drivers licence. The buses are also put to good use taking residents from the facilities for a drive around the ever changing and expanding Greater Shepparton area to attend various events and functions.

## Croquet Lawn

A Croquet Lawn has been constructed at Rodney Park Village providing another outdoor activity for the residents of our three villages to enjoy. Playing equipment has been donated by the Mooroopna Croquet Club and available to all residents for their enjoyment.

Anyone who has played golf would find the transition to croquet an advantage. Croquet provides gentle exercise outside in the fresh air and sunshine whilst enjoying companionship of fellow residents or family and friends. It is also an alternative for anyone challenged by the techniques required to play the game of lawn bowls.

## Outdoor Chess Board Game

Shepparton High School students installed an Outdoor Chess Board Game at Tarcoola Villages. This has given the residents at Shepparton Villages another outdoor activity to enjoy with their fellow residents and visiting family and friends. This is an excellent game to stimulate the senses whilst benefitting from the fresh air and sunshine.

## Other Village Activities

Happy Hour, Movies, Indoor Lawn Bowls, Guest Speakers, Bingo, Cards, Pizza Nights and Lunches are some of the activities available at all our villages.
