About Shepparton Villages

Shepparton Retirement Villages is the business name for a multi-site, not for profit aged care organisation that has its head office in Shepparton.

Founded over 50 years ago by the Rotary Club of Shepparton, Shepparton Villages is the largest aged care organisation in regional Victoria.

It is also the third largest employer in Shepparton, currently employing 440 staff across three sites.

Shepparton Villages cares for 301 aged persons in residential care across three sites. Each of these sites houses one or more residential facilities with residential care beds.

Each of the three sites also house Independent Living Units – about 337 residents in 272 units across the 3 sites - where people live independently of the Residential Care facilities but can access services as needed.

The three Shepparton Villages sites are made up as follows:

Currently residents from Rodney Park are temporarily living at Hakea Lodge in Shepparton, while some have permanently relocated to Maculata Place.
